Highlights

July has seen our platform host 11 successful online networking events! We have a couple of highlights below as well as links to our upcoming networking events this August. No matter who you are you are welcome to join any of our events, simply click the links below.

As always, if you need guidance on the networks go to the [Networks Platform Guidance Document](#) - a handy tool to refer back to anytime.

Pharmacy Susnet

With over 70 people signed up for their online event, the Pharmacy network has had a great start! CSH Education Programmes Lead Facilitator, Nuala Hampson, introduced the network and co-leads, and talked on principles of sustainable healthcare, the SusQI framework and resources. Watch the session below.

Clinical Labs Susnet

During July's online event, Co-Leads Martin Farelly and Rob Shorten talk on what's currently being done in clinical and diagnostic labs to reduce the carbon footprint and address sustainability. Martin speaks on a recent pilot of LEAF (Laboratory Efficiency Action Framework) and Rob gives experience and learning from Lancashire Teaching Hospitals. Watch the talk below.
